New Patients Always Welcome!

Winter Edition | 2015

Introducing the New KeystoneDentalArts.com and Patient Portal

You asked for it, and we delivered! Keystone Dental Arts is proud to announce the launch of our new and improved website, KeystoneDentalArts.com!

In addition to an updated look and feel, the site will offer new and current patients tools to complete many routine tasks online.

New patients can:

- Request an appointment.
- Complete New Patient Paperwork.
- Review information needed for their first visit, including insurance and billing requirements.
- View real reviews written by patients.

Current patients will create a user profile to log in to our "Patient Portal," and enjoy access to the following secure features:

- Update individual or family patient information.
- View family balance and transactions within the last 30 days.
- View upcoming appointments for the entire family.
- Make online payments (Visa & MasterCard accepted).
- Post reviews of recent visits.

We look forward to hearing your feedback on our new site. If you have any questions regarding the features available please contact a Keystone staff member.

Dentistry From The Heart: Making Spirits and Smiles Bright!

In the spirit of the holiday season, Keystone Dental Arts hosted a **Dentistry From The Heart** event on Friday, November 21st.

It was a day unlike any other at Keystone Dental Arts. Dr. Robert Christian and the staff hosted our first annual **Dentistry From The Heart** event. **Dentistry From The Heart (DFTH)** is a worldwide nonprofit organization dedicated to providing free dental care to those in need. Every year, thousands of individual dentists, hygienists, volunteers, and hundreds of practices across the world donate their time and resources to host their own **DFTH** events.

When Dr. Christian and the staff learned of this organization, Practice Manager Victoria Ingersoll said, "We didn't think twice about hosting an event. Having practiced in the tri-city area for over 30 years, we believe in giving back to the community that has given us so much. What better way than to apply our expertise to help those in need and promote our professional mission of good oral health."

To accommodate the day, regular business at the practice was suspended to clear the staff schedule. With the combined efforts of the Doctor, assistants, hygienists and office personnel, dozens of patients in need were provided with dental care at no cost. Aroma Joe's provided free coffee to staff and visitors.

The dental staff performed thousands of dollars worth of dentistry on dozens of patients throughout the course of the day. Plans are already in motion to make this an annual event.

Keystone vs Hunger

Monday, December 15th also marked the end of a 60-day food drive organized at the practice. **Keystone vs Hunger** began in mid-October and resulted in the collection of over **500 items and \$200** to benefit the Community Action Partnership of Stafford County.

A big thank you to our patients, staff, and community members who helped to make this possible. It was a pleasure for us to help those in need in our community.

The Keystone vs Hunger Donation Tree

Staff Changes at Keystone

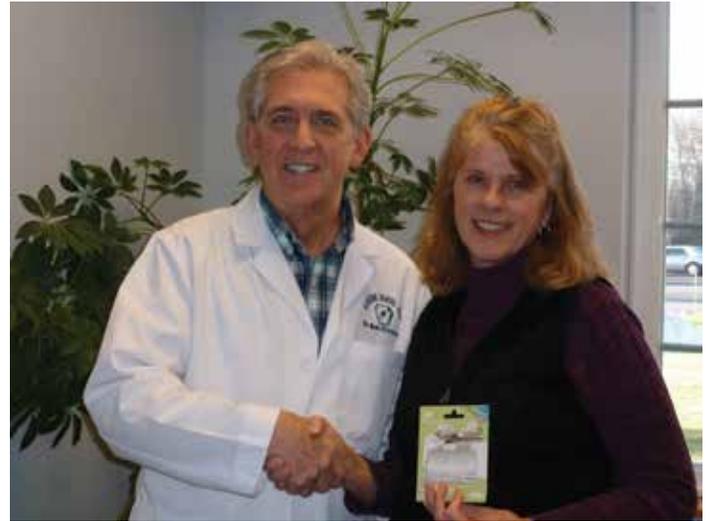

We wanted to let you all know that Brie and her family have moved to Maine. We are all going to miss her and wish her the best. For those of you who have been "Brie's patients", you will remember that you were open to seeing her for the first time. Other hygienists have their following also, and as you shift your appointments over to them, we are sure that you will find them friendly, professional, and helpful also.

We would also like to welcome **Diane Glover** to our office. Diane will be one of the friendly faces that will greet you when you arrive. She will be working closely with Maureen to assist you with scheduling appointments, answering your phone calls and any questions you may have regarding your insurance. We are all very excited about her joining our team!

Gift Card Winner

Congrats to **Doris Gagne!** She won the raffle for donating in our **Keystone vs. Hunger** food drive and is the proud new owner of a \$100 Visa gift card. Thank you to all who donated!

Patient of the Month

Congratulations to **Susan Schuler**, our Patient of the Month! Susan has been a patient at Keystone Dental Arts since 1993.

Schedule an appointment this month to be eligible in the next "Patient of the Month" drawing!

Patient Appreciation

Throughout the year, we demonstrate our appreciation with a thank-you gift to all those who have appointments on a chosen day. Our most recent gifts were jumbo **Fantastic Fortune Cookies**, from Rollinsford NH. If you were "fortunate" to get one of these custom-made treats, you know what the message read. So, as always with sweets - enjoy, brush, floss.

Going Green

In an effort to reduce paper waste, Keystone Dental Arts now asks all patients to complete new forms online or in our office using an iPad. By utilizing this technology, we anticipate drastically reducing the amount of paper used and stored within our office.

Please remember to bring a list of your current medications when you come for your appointment.

If you need any assistance in completing your forms electronically, please do not hesitate to ask one of our friendly Keystone staff for help.
